The World of Clovis, the exhibition you are the Hero

For the exhibition "The World of Clovis", the National Archaeology Museum is inventing a new way of visiting the museum, at the crossroads of books "where you are the hero", role-playing games and video games. Through a playful and immersive journey, the exhibition invites visitors of all ages, alone, with family or friends, to plunge into the world of the early Middle Ages.

Take a trip back in time and slip into the shoes of a character from the Merovingian period and build your own "life path" by following the Web App or the game booklets. Choose your character from the four on offer and discover what fate has in store for you. The exhibition will offer you multiple paths, several alternative endings and a great deal of freedom of choice, so that you can be the actor of your visit and the hero of your story!
